

# Young Innovators Programme 7.0

**K-DISC**  
Kerala Development and Innovation  
Strategic Council

## Vision of YIP

To foster a culture of innovation in Kerala. The program envisions exposing teams of young students to the innovation cycle, providing them with the **tools and mindset** needed to contribute to **societal transformation and development** through their innovations building their careers as changemakers.

## Mission of YIP

Empower and equip the youth with essential skills such as **design thinking, root cause analysis collaboration, creative problem-solving, and leadership**. Through immersive programs, the initiative aims to instill a sense of **learning, empathy, acceleration, and disruption (LEAD)**. The program seeks to mentor and network with young minds, encouraging them to develop **innovative products, processes and systems** showcased in the Young Innovators' Challenges.

# YOUNG INNOVATORS PROGRAMME

School & College  
Students

13 to 37 years

Team Based Activity

2 – 3 members: Schools  
2 - 5 members: Others

Up to 3 Years Programme

Rewards + Mentoring +  
Funding

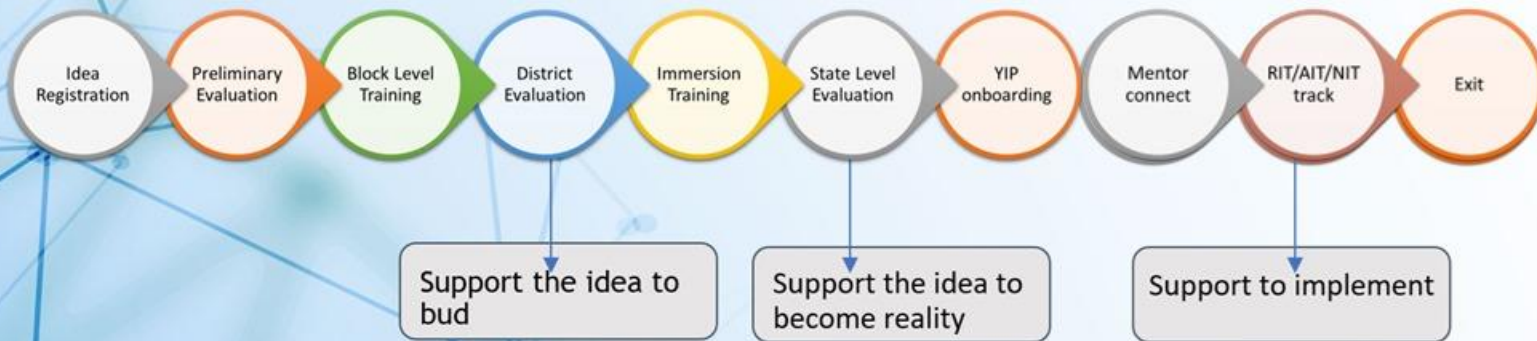

Phased exits.

## Democratization of Innovation

# Themes of YIP (30)

# YIP 7.0 Innovation Journey

# Problem Canvas

## Problem Canvas

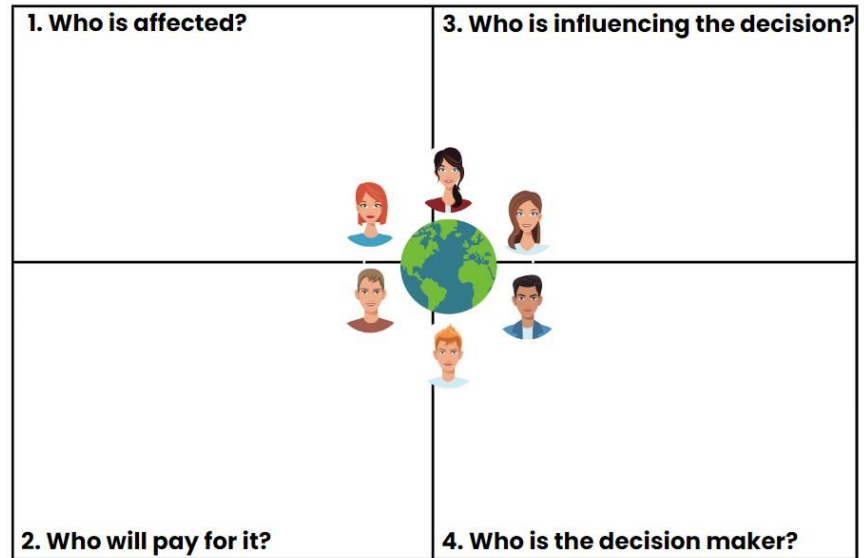

Problem/Opportunity Outline	Context	Root Cause
Outline the Problem in less than 200 words. Please be specific on why this is a problem.	What is the background to the problem? Why did come about? How long has it been so? Any other such questions can be answered here. Write in 300 words	Define the root cause using any specific tool available. If not please outline the root cause in less than 200 words. Please split the root cause into the below categories
<b>Current alternatives</b> Briefly outline the current alternatives in 100 words		<b>Shortcomings of current alternatives</b> Briefly outline the challenges faced by the current alternatives
<b>Customers /Stakeholders</b> Who are the customer/stakeholders who face this problem?	<b>Constraints</b> What are all the constraints/challenges faced which the solution provider should keep in mind while defining the solution	
<b>Financial /Social Impact of the problem</b> What is the financial and social impact of the problem. Please try to quantify the impact of the problem so that it can be prioritized more easily. 82		

# What is VoS?

A process that defines stakeholders' needs, wants, expectations and dislikes for your proposed solution.
